Summer Update

### Reaching Easton, Maryland

Hello praying friends, we are so thankful for your continued prayers and support. The Lord has been working in big ways here in Easton at church and in our family.

In April we hosted a couples conference where we had about 10 married couples join us for the weekend to be strengthened and encouraged. Pastor Bob Baines and his wife Ginger spoke and I know it helped us personally and some of the other couples in our church.

At the end of June we had a summer revival and Pastor Rick Conner and his wife Lori were with us. I know God used them in my life personally and in the lives of our church family. It was an encouragement to be with someone who had already walked in our footsteps as church planters in Maryland, and see all that God had done through their ministry and church.

Another exciting thing that has happened this summer is we were able to start men and women's Sunday School classes. We have had a handful of newer Christians who have started attending our church, including for Sunday School and this was a great opportunity for fellowship and growth. We have 2 ladies co-teaching the class, that are very excited about investing in other ladies.

### Some Other Praises:

- The first converts of Easton Baptist Church were a sweet couple, Rick and Colleen Peters. Rick had a stroke in February and we were unsure if he was going to make it for a time. After a long road of being in the hospital and a rehab center, Rick is home! He still has a long road ahead, but the growth we have seen in both their Christian lives through all of this has been a true blessing. Please pray for the Peters as they continue to walk this road of recovery.
- Nathaniel, our 5 year old, after church one Wednesday night, looked at my wife and said, “I think its about time I get saved.” He had been asking a lot of questions the previous few weeks, so after church he accepted Christ as his savior!
- For the past 4 years we have been driving an hour to church, we had been looking and praying for a home in Easton, but the Lord had not opened that door. In April, we saw a house that was perfect for our family, 7 minutes from the church, and in our budget! We moved in July 4<sup>th</sup> and are thrilled to finally be living in the community we are trying to reach. Thank you for praying with us about this for so long!
- We have seen some of our people stepping up and taking on some responsibilities and serving the Lord.

*Thank you for your continued support and prayers. Here are some other specific things you can pray for:*

1. The ladies Sunday School class has started off with great momentum and attendance. Please pray for the ladies and the teachers as they have this opportunity to grow together.
2. We have started preparing and praying for our missions conference we will have in November.
3. Pray for our family as we will be starting our homeschooling adventure this fall.
4. As always we are praying for visitors to come, souls to be saved, and our people to continue to grow and be conformed to Christ.
