

We started February by gathering on Saturday the 4<sup>th</sup> to relabel John and Romans with a working phone number. We acquired a Google voice number for the church in July of 2021. We didn't realize that Google retracts the phone number if you don't use it for a couple of months. We had all of our materials printed with that number on it. We didn't want to throw those materials away, so we printed small labels with a good phone number to cover the number that is not active. There were fourteen folks from our church there to help!

Relabeling John & Romans

Potential building!

Our bus with our church information

On Sunday, February 5<sup>th</sup>, after our morning service we visited a local church building that we are looking at with the hope of potentially purchasing it. This process is in the very preliminary stages. The congregation that meets there currently plans to move to the suburbs. They would like to see the building continue to be a church. Please pray that the Lord gives us the favor, freedom, and funds to acquire this building if it is His will.

We also finally have our shuttle bus ready to go! It now has our church information on it and we have Maryland plates on it! We already had our first rider on Sunday, February 26<sup>th</sup>! Pray this ministry grows and many come to the Lord as a result.

On Saturday, February 18<sup>th</sup>, we went bowling as a church family. Everyone had great time. Twenty-four people came out to enjoy a wonderful time of Christian fellowship. Missionary Taran Scarry and his family were with us on Sunday, February 19<sup>th</sup>. He is called to the country of Italy. His wife, Andrea, played piano for us in both morning and evening services. We pray that our church can get behind this missionary soon. We also had two baptisms that day. Chrissy Melton and her daughter, Emily, got baptized! It was a very busy and exciting day for our church.

Many thanks to all of you who pray for us and our church! Our efforts are much more effective because of your prayers. Thank you to all those who support us financially. We are blessed with so many kind, gracious, and benevolent supporters. May the Lord bless you for your investment in His kingdom through Baltimore Baptist Church! We love you all!
